

Sertoma Great Plains Region Skits!!

By now you've probably realized the historical theme woven throughout the convention; the rich plains history of Lewis and Clark's journeys, and the fabulous past of our youth with the Fantastic Convertibles. **The Minot Sertoma Club invites you to rekindle another piece of the past with the Sertoma Skits.**

Many of you remember the hilarious club skits offered at past Regional Conventions. Once again, you and your fellow Sertomans can plan and perform to the delight of others.

We ask that each club sponsor one 3 – 5 minute (maximum) skit to be performed at the 2003 Great Plains Regional Convention in Minot. The skit should focus on/emphasize some aspect of Sertoma. Perhaps you have some club project that could be highlighted, maybe your club is known for some funny annual (or historic) event, or maybe your members are all just goofy!! Whatever the case, plan on tickling our funny bones! We will organize a group of judges (a bit goofy themselves) and will award prizes. ***Please keep the skits in good taste; no vulgar or inappropriate skits allowed.***

Contact Mike Lucy at 701-858-1078 or mlucy@amfam.com if you have questions.

Then, send in the registration form below. Deadline is April 4, 2003. Remember, only one entry per club.
